## The Light House Bistro is the Exclusive Caterer for the Woodwind

The Light House Bistro gives people with employment barriers the opportunity to learn while developing a resume and earning a living wage.

We are a social enterprise created by The Light House Homelessness Prevention and Support Center to further train culinary students that have graduated from our workforce development and other partnering programs.

## Preparation

- All food is prepared to order in our local kitchen using the freshest ingredients possible.
- All food selections are served either chilled or room temperature during your charter.
- The Woodwind Crew will present your catering while you sit back and relax with a cold beverage.

## Prices

- Please note that all prices are per person unless otherwise indicated.
- Listed prices include all paper goods such as plates, napkins, forks, etc, and all food is displayed with appropriate baskets and platters as needed.
- Your Woodwind Sales Agent will make all of your catering arrangements with the **Light House Bistro**.

**The Woodwind staff is committed to preserving our environment.** We use all biodegradable paper goods, made from renewable resources, for our catering services. Our paper plates are made from sugar cane pulp and our utensils and cups are made from hypo-allergenic corn products. All of these items biodegrade naturally within 60-90 days of disposal.
